

Hello all!

Lately, we have been spending a lot of time at home, which means you are keeping busy in many different ways. I am starting to get upset that I don't get to keep up with you like I usually do! I am curious about what you're reading, writing, playing, watching, etc., but I can't ask you about it, like I normally would in the classroom.

One way that we can keep each other updated, is to add to a "Virtual Scrapbook." I have created a *Google Slides* presentation for us, where we can add what we are doing to stay busy. Not only will we be able to keep in touch with each other, we can also get ideas from each other on things to do!

I have already uploaded my first picture and caption. From now on, if you want, send me a picture of something that you are doing (you can be in it or not) with a short caption. I will then upload it to our "Virtual Scrapbook." You will be able to check up on it and see what your classmates are doing.

This scrapbook will only be shared with our classmates, Mrs. Silletti and myself. The link to access the "Virtual Scrapbook" will be posted in our Google Classroom. Go and check it out!

Ways to send me your pictures:

- Have a parent send it to me on Seesaw
- Email it to me at kclarke@cps.k12.ny.us
- Post the picture and write the caption on Google docs or slides and share with me (kclarke@cpscloud.net)
 - Remember: you all have a gmail account – it is firstinitiallastname@cpscloud.net. Go to gmail.com and type it in. Your password is your chromebook password!

I can't wait to see what you are all up to, and even get some ideas on how to stay busy for myself!

Sincerely,

Ms. Clarke ☺
